

A black and white photograph of a woman from the waist up, wearing a white, ribbed, form-fitting sports bra and matching white shorts. She is standing in what appears to be a gym or fitness studio. In the background, there's a dark wall with some equipment and a red mat on the floor. On the left side of the image, there's a vertical black bar with five orange circular icons, each accompanied by a piece of exercise equipment. The icons are arranged vertically from top to bottom: a heart for cardio, a person on a weight machine for musculation, a dumbbell for free weight, a barbell for small equipment, and a thumbs-up for nearly new fit.
